# GoTo Connect & Microsoft Teams

However you work with Teams, GoTo Connect works for you.

Deploying an Office strategy doesn't have to be complicated. With solutions ranging from free plugins to fully-integrated, direct-routing cloud telephony, choose GoTo to get the most out of your Teams investment.

## Support Direct Routing into Teams

### Teams Connector

The best of both worlds; a native Teams experience for calls combined with GoTo Connect meetings & other features.

**Requirements**

- Microsoft license that enables PBX
- GoTo Connect licenses
- Teams Connector add-on

### GoTo Connect: MS Teams Edition

Enable Teams with phones powered by GoTo Connect with simple deployment and management.

**Requirements**

- Microsoft license that enables PBX
- MS Teams Edition licenses

### Free Teams Plug-in

Enable a simple workflow for users to access GoTo Connect features directly from the Teams UI.

**Requirements**

- Teams License
- GoTo Connect Basic or higher license
